Green Strip

The Original Replacement for Caustic

Product Code: 6702

Tank Wash Detergent and Booster

Description:

Designed for cleaning the toughest, most challenging washes while maintaining a safe working facility. **GREEN STRIP** contains NO caustic soda, instead using high-tech, biodegradable surfactants for more cleaning power. It is completely safe to use on aluminum and other soft metals. **GREEN STRIP** removes virtually all resins, latexes, regular solvents, oils, and carbon deposits. Particularly effective when used with **WS-3** or **WS-609**

Technical Details

Color.....White Powder

Biodegradability.....Complete

Application:

As a Detergent: Fill vat with water. Add 1 pound of **GREEN STRIP** for every 4 gallons of vat capacity. Mix thoroughly and wash at 190°F (90°C). Reuse solution until effectiveness is reduced, then replace with a fresh batch.

As a Boost: Add 50lbs for every 275 Gallons of Vat Capacity.

Water hardness and soil load will affect **GREEN STRIP's** performance. Adjust amount of detergent to achieve optimum effectiveness.
