TORO-X9

Product Code: 3491

Latex Stripper

Description:

TORO – X9. An economic revolution. Concentrating on creating the best formulations ever, Duane has created an economic breakthrough. Remove Latex, paint and soft resin with **TORO –X9**, for 30% less than traditional products.

Formulated from biodegradable surfactants for exceptional cleaning power. Use for latex, and resins.

Technical Details

Color..... GREEN

pH.....12.2

Biodegradability.....Complete

Application:

Prepare recirculating vat with **TORO-X9** at 10% by volume. Bring temperature to 190°F, and maintain for the duration of the cleaning process. Start spinning. Depending on how dirty the trailer is, cleaning will take 30 minutes to 1 hour. Adjust the concentration until the desired economy and effectiveness are achieved. Soil load, and water hardness will effect life of vat. Recharge vat as required with additional **TORO-X9**, or **Green Strip**.
